

Emergency Addressing Notice: Visible House / Business Numbers Required Under Florida Building Code (FBC 501.2 & FRC 319.1) and Madison County policy, all properties must display their 911 address numbers. This includes homes, businesses, and industrial buildings. Visible address numbers ensure that emergency services, mail carriers, and the public can locate your property quickly and efficiently.

Date: _____ New 911 Address: _____

Owner Name: _____
(as it appears on the Deed)

Contact Name: _____ Phone: _____

Email: _____

Parcel ID Number: _____

Power Service Provider: _____ Town: _____

Zip: _____

Comments: _____ Address Point: DRIVEWAY

I acknowledge and understand the requirement for posting my address to the entrance of the property. I understand if the address is not posted, all construction will be in violation and a reinspection fee of \$35.00 will be added and need to be paid prior to another inspection being scheduled.

Date Completed: _____ Signature Permit Applicant _____

Attention: 911 Address numbers MUST be posted at the driveway entrance to the structure BEFORE the final building inspection!

* Address numbers should be 4" or larger, be displayed by the driveway entrance and be visible in **BOTH DIRECTIONS**. The address identification shall be legible and placed in a position that is visible from the street or road fronting the property.

** Commercial numbers should be 10" or larger.

*** Address numbers should also be posted on any and all addressed structures on the property.

**** In the case of waterfront property, on the rivers, the address should be visibly posted on the dock, or in the absence of a dock, above the approximate 100 year flood mark. On lakes, above the approximate historic high water line.
