

MADISON COUNTY SOLID WASTE NEWSLETTER

Issue 001

JULY 2026

Welcome to Issue One!

Thank you for taking a few minutes to learn more about your Madison County Solid Waste and Recycling Department! Our mission is to provide reliable waste and recycling services while helping residents stay informed about the programs and resources available throughout the county. In each issue, you'll find department updates, helpful tips, featured services, and practical information to make waste disposal easier for the community!

Summer Stats

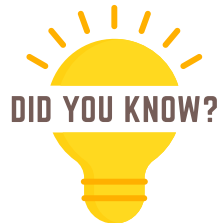

Waste Collected by MCSW

1,522 tons, or the weight of 1,000 cars!

Tires Collected

3.6 tons

*June to date

- Recycling 1 ton of paper can save about 17 trees!
- Tires should **never** be dumped or burned. Proper disposal helps protect our environment.
- Empty propane tanks, batteries, and paint should **never** be placed in regular waste containers. Contact us at 850-973-2611 if you are unsure how to dispose of them.
- Madison County offers a 24 hour collection site to our residents! **See pg. 2 for more information.**

MOWING MORE? US TOO.

Leave grass clippings on your lawn to return nutrients naturally, or dispose of yard waste properly.

STORM DEBRIS.

After summer storms, separate tree limbs, brush, and household trash to make cleanup and disposal more streamlined and seamless.

Need a Roll-Off Container?
Perfect for renovations, seasonal cleaning, roofing projects, and large clean-ups! Contact Madison County Solid Waste for pricing and availability!

Madison FL 24/7 Site

Located on Harvey Greene Drive, next to our Industrial Park county collection site, is a 24 hour site. This convenience site has been open for around 2 years & has become a great addition to what Madison has to offer for its residents!

Help Keep It Clean

Madison's 24 hour collection site is a valuable service for our community. By disposing of waste properly and following site guidelines, we can work together to keep the area clean, safe, and available for everyone to use.
