

Before submitting information for a permit.

Go to: us.cloudpermit.com/gov/dashboard or go to: Permit Applications on madisoncountyfl.com and click Online Permit.

Select: New Application

Scroll down to: Type of Application

Please note ** You may require a Planning Approval Permit or Land Use Approval Permit before you can attain a Building Permit**

Please click on arrows of each Permit section to read the specifications of each so you apply to permits in the correct order should there be multiple steps to your project.

To find your Development Permit Package go to madisoncountyfl.com – Planning & Zoning Department - Forms

If you are unsure the package you need please call 850-973-3179 for confirmation and then submit the completed documents into your portal.

While waiting for approval on your Planning or Land Use approval Permits **or**, if you **do not** require one of those permits:

Go to: madisoncountyfl.com – Building Department – Forms

Select, print, and complete the necessary forms.

*Some forms need to be notarized, and the Notice of Commencement needs to be notarized and recorded with the Madison County Clerk. *

1. Complete all required areas of the forms, be sure to include signatures and dates if requested on the form.

2. Complete the New Application on us.cloudpermit.com/gov/dashboard and upload your completed forms when you reach the attachment section.

Complete and submit your application.

Fees will apply for each permit required.
