Gather, Give Thanks & Recycle

As the season of gathering and giving thanks arrives, our homes tend to get a little busier, and so do our trash bins. From Thanksgiving leftovers to holiday packaging, November is a great time to be mindful of what we throw away and how we dispose of it. This month, we're sharing a few simple ways to reduce waste, make the most of what we have, and keep Madison County clean throughout the holiday season.

MORE RESULTS ON PAGE 2

For the month of October, our Ravenswood Collection Center had the highest total at approximately 69 tons, followed by Lee Collection Center at 62 tons and Cherry Lake Collection Center at about 55 tons of waste collected from county residents.

OCTOBER TIRE AND WASTE IMPACT RESULTS

Every year, Madison County works to provide residents and businesses with responsible waste disposal options. Through commercial services and our county collection sites, significant amounts of waste are collected and managed to help keep our community clean.

8.36 tons of Tires have been successfully diverted from the landfill by Madison County Solid Waste in the month of October!

540 tons of waste received through County Collection Sites Waste throughout the month of October!

Approximately 250 tons Commercial Waste collected through commercial services in October!

Proper waste disposal can be practiced at work and at home. Before throwing an item away, take a moment to check whether it can be recycled or requires special disposal. **Visit the resources below by scanning the QR codes to learn more and help make a difference in Madison County.**
